Description

The newest addition to Ski Village Kolašin 1450, Hotel Kilimanjaro in a central position in the resort dominates the design and concept inspired by the power of nature. From the name to the materials used, the distinctiveness of these properties is emphasized by the use of local stone and wood as timeless values for future owners, allowing them to fully experience the peace, tranquillity and beauty of nature. Two luxurious restaurants, a modern ski room for cleaning, drying and preparing equipment for the next adventure on powder snow slopes, a spa and a gym make up the list of benefits for apartment owners. -The owners have the opportunity to choose from a collection of 77 accommodation units, from studios of 36 m² - 42 m², one-room apartments from 45 m² - 50 m² to two-room apartments from 60 m² - 77 m². The hotel Kilimanjaro will open its doors to its first guests in the winter of 2027.
